### **ALC Master Code Auditing Service (AMCAS)**

Dear Darren

This letter confirms the successful completion of an audit undertaken to assess compliance against the Master Code – an Industry Code of Practice registered under the Heavy Vehicle National Law.

The audit was completed on 28 January 2019 by Colin Karlson, an ALC approved auditor. The audit verified that Nolan's Interstate Transport has sound systems for managing risks associated with heavy vehicle operation.

If you have any questions about AMCAS or the Master Code, please feel free to contact me on (02) 6273 0755 or at [Julia.collins@austlogistics.com.au](mailto:Julia.collins@austlogistics.com.au)

Thank you for your ongoing support of ALC safety initiatives.

Yours sincerely

**Julia Collins**
