In Memory Of Terry Nolan

DONATE IN LIEU OF FLOWERS TO THE ICON CANCER FOUNDATION

Terry was impressed with the care and treatment he received from his Doctor and staff of the Icon Cancer Foundation during his battle with cancer, and he was adamant that he would like donations in lieu of flowers to go to the Foundation.

Your donation will help towards crucial cancer research to find cures, extend life, and improve quality of life for people with a wide range of different types of cancer. It will also help provide extra support and comfort to cancer patients and their carers through a range of support programs, equipment and wellbeing packages.
